---

Stephen:

Thanks for the update. I just seem to be looking for something else that I am not getting. Let me know if this is possible. Here is an outline of what I am looking for.

1. Project Activities to be Completed and Projected Schedule Against Established Deadlines;
2. Project Activities/Progress Completed this week;
3. Activities Planned for Next Week;
4. Issues Encountered

Thanks

Subject: Falcon Refinery Weekly Update

Gary,

Attached is the weekly update from the Falcon Refinery and the update table that you requested. Let me know if you have any questions.
